Pastoral Musings...

“I want to know Christ and the power of his resurrection and the sharing of his sufferings by becoming like him in his death, if somehow I may attain the resurrection from the dead. Not that I have already obtained this or have already reached the goal; but I press on to make it my own, because Christ Jesus has made me his own. Beloved, I do not consider that I have made it my own; but this one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the heavenly call of God in Christ Jesus.” Philippians 3:10-14

We all have goals in life. Sometimes they are clear and strong, other times they are quieter and more instinctual. Goals give us as individuals and as a group purpose and direction. For St. Paul the goal is always to join himself to Christ in his death and resurrection. He accepted the suffering that comes with being a disciple of Jesus. Yes, Jesus gives us life, strength, forgiveness and love, but it comes at a cost to Jesus and to us. To be a disciple is to walk the path Jesus walked. Even Jesus' disciples had difficulty with this idea. They wanted glory and power and riches. To follow Christ calls us to sacrifice, to serve, to give, to forgive, to put others first – not a path that will lead to power or riches in this world of ours. We see this every day in the actions of those who thirst for power and wealth. Their concern is for themselves only. They seek short term rewards and acclamation. This is the way the world has always been, but Jesus calls for us to follow a different path. A way that will put us in conflict with the world and its values. Being a disciple of Jesus takes courage and faith and trust in following where Jesus leads not where the world calls us. Jesus showed this in the desert with the temptation of the devil to have all worldly power, but Jesus knew the only real power is the power found in God. That power is to love and to serve.

There are many voices talking to us at this time and we can be overwhelmed with all the chatter. As we ‘forget what lies behind and strain forward to what lies ahead’ as St. Paul says we pray to find the beacon of light that will guide us. That beacon is Jesus and fellow disciples who travel with us. Our journey may seem too difficult, but we have Christ with us and with Christ nothing is impossible. We can persevere, we can hold on to hope, we can sort out the chaos and we can hear the one true voice among all the voices – the voice of Jesus. The power is in believing and following Jesus and only him no matter how loud or powerful the voices of the world become. Remember we are the people of the Resurrected One who have been promised the victory of Life.

We have once again celebrated the birth of Jesus into our world, the light that darkness cannot overcome. The Word that cannot be silenced. As we begin a New Year let us choose to have confidence and hope with faith that God will guide us through any hardship, any confusion, any fear so we know the power of His love. Yes, life is different now than just two years back, but there is still life. I truly believe that God will never give up on us or the world that he chose to be a part of in Jesus. We will triumph with our faith and the promise that God has made to be with us in all things. And yes I truly believe that this congregation can not only survive but be reborn in our purpose and given strength to be a beacon of light that witnesses to the power and goodness of God as shown to us in Jesus and sustains us in the Holy Spirit. Let's make a New Year resolution to place our future into God's hands and trust the path God has chosen for us.

May each of you have a Blessed and Peaceful New Year!

In Peace,

Pastor Stan

On the day of Epiphany, January 6, the church celebrates the revelation of Christ to all nations as represented by the Wise Men (Magi) who came to worship Jesus. Church tradition since the seventh century names the Magi as Caspar, Melchior and Balthazar. The church calendar recognizes the season of Epiphany from January 6 until the last Sunday before Ash Wednesday which is celebrated as the *Transfiguration of our Lord*. Beginning with the star that guided the Wise Men to Bethlehem, God fills the lives of Christians with His holy light during Epiphany so that His light can shine through them into the world.

DID YOU KNOW ????

In the summer of 1964, as president of Jerusalem Lutheran Church Women, Barbara Renninger attended a conference at Muhlenberg College where a Chrismon Tree was displayed. When she returned home, she asked Pastor Ken Ensminger and Council about the possibility of a Chrismon tree here. The Council paid for original information and patterns and the small white lights. The women donated the styrofoam and the white and gold decorations. A longtime member, Charlie Krause, made a "hot wire" to cut the styrofoam Chrismons and Barbara made cardboard patterns and set up a workspace on her basement ping-pong table to cut **all** the styrofoam shapes. The women started the work of decorating the Chrismons in September, at the October and November Circle meetings and at a few special work days. By early December the congregation was ready for our first Chrismon (Christian monograms) tree!

OUR THANKS TO THOSE MEMBERS WHO MANY YEARS AGO STARTED SUCH A WONDERFUL TRADITION FOR OUR CHURCH !!!!

JERUSALEM LUTHERAN NURSERY SCHOOL AND DAY CARE CENTER

Happy New Year! The Jerusalem Lutheran Day Care staff and children had a wonderful time ringing in 2023. Everyone had fun performing their own version of a Mummer's strut as a recording of string band hits played in the background. However, we might need some more practice if we want to make it to the Mummers' Parade down Broad Street. Next, just before noon, the countdown to the new year began. Noisemakers and party blowers rang out and confetti filled the air when the clock struck twelve. We concluded the party with a special lunch of McDonald's Happy Meals followed by ice cream for dessert. JLDC certainly knows how to party! Lastly, we are extremely grateful for all the blessings that God bestowed upon JLNS&DC in 2022. Now, we are looking forward to God's continued faithfulness and goodness in the new year.

Welcome Winter

We celebrated the first day of winter with a yummy snack of sno-cones. Our ice shaver was really humming as it cranked out 40 sno-cones in a flash. Now we are anxious for the first significant snowfall of the season to arrive. We can't wait to build snowmen, toss snowballs and make snow angels. If the weather becomes too frigid, we have some great indoor activities planned such as Beach Day, Pajama Day, Movie Day, and Wacky Wednesday. Inside or outside, we always have a fun time at JLDC!

Recently, each staff member at JLNS&DC participated in a health and safety training. This important training provided up-to-date information which aligns with Pennsylvania's regulations for licensed childcare facilities.

Heartfelt thanks to Pastor Stan and David Crist for their special Christmas presentation to the JLDC children. Pastor Stan explained the true meaning of Christmas and talked about the ornaments on the Chrismon tree. Next, David spoke about the workings of the pipe organ and demonstrated the various sounds it can produce. Then Pastor Stan led the children in singing several Christmas carols with David's accompaniment. It was a beautiful way to end a very meaningful morning!

Finally, we would like to thank the JLNS&DC Board of Directors for their hard work and faithful support throughout the year. We are very grateful for their dedication and support. May God bless each of them!
